

The Pickleball Kelowna Club has only 5 Court Booking Rules. Please review them as they apply to players who book their own courts and / or play in leagues.

League Hosts will be inputting player names into the scheduler as part of league participation. Keep this in mind as part of your 'five' bookings when you opt-in to league game days.

PKC 5 Court Booking Rules

1. Members are limited to 5 bookings per week (Sunday to Saturday); or 5 bookings in total on the court scheduler. (PKC member portal at PickleballSoft.com/Kelowna).

Bookings include:

- member court bookings
- leagues and programs

2. Same Day Bookings are NOT counted as any of the 5 bookings in your total.

3. PKC allows 2 hours of continuous booked play; members are not allowed to book 4 hours in a row.

4. At 6 pm the night before your play time, if you do not have 4 players entered (max 5), your booking will be automatically canceled. If you want to play with less than 4 players, please re-book after 6 pm as the system will only allow less than 4 players after 6 pm the night before you play.

5. PKC is a Members Only Club. Please play on Public Courts if a non-member is part of your group.
