

League Hosts will book player names onto the Court Schedule (member portal) as part of League participation. Keep this in mind as part of your 'five' bookings (see below) when you Opt-in to League game days.

Your League Opt-in will be canceled if you are over your 5 court booking limit, or have booked 4 hours in a row.

PKC 5 Court Booking Rules:

The Pickleball Kelowna Club has only 5 Court Booking Rules. They apply to players who book their own courts and / or play in leagues.

1. Members are limited to 5 bookings within a week (Sunday to Saturday); or 5 bookings in total on the court scheduler.
2. Member Drop-In are NOT counted in your 5 booking total.
3. PKC allows 2 hours of continuous booked play; members are not allowed to book 4 hours in a row.
4. A minimum of 4 member names are required to book the court, and up to 6 names can be booked on one court. Members booked MUST match the actual players on court.
5. PKC is a Members Only Club. Please play on Public Courts if a non-member is part of your group and follow the posted rules.

Infractions of these rules are subject to Board review and disciplinary action which may include suspension or cancellation of membership privileges, per Code of Conduct Policy.
